

Ray Tam

CEO, Revo Digital Family Office

As Co-Founder of Raffles Family Office, Ray plays a pivotal role in shaping the firm's long-term strategic direction. He has led key growth initiatives, driving business expansion and innovation.

Recognizing the underserved demand in the digital assets space, Ray spearheaded the creation of Revo Digital Family Office and serves as its CEO. As a dedicated digital asset brand under RFO, Revo is Asia's first digital multi-family office. Ray envisions Revo as a transformative force in wealth management, delivering tailored digital asset solutions for ultra-high-net-worth individuals and families, so that they can confidently grow, secure and pass on their wealth in a rapidly changing financial world.

Ray has over 17 years of experience in private banking and leadership, having held senior positions at BNP Paribas and Standard Chartered Bank, where he managed global multi-asset portfolios for numerous Asian and European families of international renown.

He holds a bachelor's degree from the University of Manchester in the UK and is a Board Member of the Family Office Association Hong Kong.
