|---|---|
| 3:50pm | **Fireside Chat: *The New Era of Philanthropy***<br>*Featuring first-hand insights, this session addresses the role of family offices in an evolving philanthropic landscape, where structured collaboration and data insights are creating new opportunities for families looking to deliver lasting impact.*<br><br>***Mrs. Jennifer Yeo**, Chairman and Founder, VIVA Foundation for Children with Cancer*<br>***Mr. Chi Man Kwan**, Group Chief Executive Officer, Raffles Family Office and Chairman, RFO Foundation*<br>***Moderator**: **Ms. Hafeeza Kamsani**, Chief Operating Officer, Southeast Asia, Raffles Family Office* |
| 4:10pm | ***Coffee Break*** |
| 4:35pm | **Panel Session: *From Agentic AI to Real-World Scale: Human Intelligence, Action and Impact***<br>*The initial AI hype wave has crested; the next frontier belongs to commercial execution, true autonomy, and profitability. As the global market shifts from passive chatbots to autonomous Agentic AI, this panel reveals the raw commercial realities of scaling these frontier technologies. Together, we will dissect the multi-modality infrastructure required for high-stakes deployment, how human intelligence serves as a critical enterprise guardrail, and where the most defensible market value is being generated right now.*<br><br>***Prof. Aurel K. Qian**, Co-founder and Chief Medical Officer, SenseCare*<br>***Dr. Aaron Sisto**, Partner, First Spark Ventures*<br>***Ms. Jo Huang, CFA,** Head of Private Equity, Raffles Family Office*<br>***Moderator**: **Mr. Ken Peng,** Chief Investment Officer, Raffles Family Office* |

It requires an understanding of the technology, ecosystems, risks and the drivers behind the returns. This session explores the discipline of constructing and managing a digital asset portfolio, and how AI is changing the way investors evaluate opportunities and manage risks.*<br><br>***Ms. Angela Ang,** APAC Managing Director and Singapore President, BitGo*<br>***Mr. TN Lee,** Co-founder, Pendle Finance*<br>***Mr. Nicolas Jubera CFA**, Head of Wealth International, Coinbase*<br>***Moderator**: **Ms. Zann Kwan, CFA**, Managing Partner and CIO, Revo Digital Family Office* |
| 5:25pm | **Fireside Chat: *Excellence as a Lifestyle: Discipline, Resilience and the Agile Mind***<br>*This closing conversation explores what it takes to perform at the highest level, navigate setbacks and keep evolving beyond a defining moment of success. Drawing on Joseph Schooling's journey from Olympic champion to entrepreneur and investor, the discussion will reflect on discipline, resilience and purpose, while exploring how success is redefined over time and how the next generation can build a legacy on their own terms.*<br><br>***Mr. Joseph Schooling**, Former National Swimmer and Singapore's First Olympic Gold Medallist*<br>***Moderator**: **Ms. Yvonne Chan**, Specialist Moderator, C-Suite Media Trainer* |
| 5:45pm | **Closing Remarks**<br>***Mr. Shawnn Tan**, RFO Lead NextGen Ambassador 2026* |
| 5:50pm | **Cocktail Reception** *at foyer* |
